

## DEPARTMENT OF ELECTRICAL ENGINEERING

ALIAH UNIVERSITY

Action Area II, Plot No. IIA/27, New Town, Kolkata 700160

Memo No: AU/EEN/016/19

Date: 18.03.2019

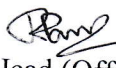

### Exam Notice

Students of this department are informed that for the upcoming end semester examinations, very few slots are available for conducting exams. This will make difficult the placing of exclusive slots for each subject (to facilitate supplementary exams).

Therefore, all the students of this department are hereby requested to submit the list of supplementary subjects, which they are preparing to appear in the upcoming examinations (maximum 6 subjects per student, as per exam rules). The department will try to avoid as many clashes as possible, based on the collected information. However, as mentioned, the available slots are very less; hence, all exclusive slots may not be possible.

M. Tech. 2<sup>nd</sup> year students are also requested to submit their supplementary list, so that department can plan their exams.

Please submit the details indicating student name, roll no. current semester, supplementary subject name, code & semester with student's mobile no. to the office of HoD, **latest by 31<sup>st</sup> March 2019.**
