Modification & addendum to Exam schedule _ Spring-2018

In view of the representation by some B. Tech. final year students and their assurance that none of the final year B. Tech. students has backlog in subject ME232: Thermodynamics, their exam schedule is slightly modified as follows:

‘EE404: Renewable Energy Sources’ exam will now be held on 27/04/2018 instead of 26/04/2018 as was mentioned in notice no. AU/EEN/034/18 dated 19/04/2018.

*It may be noted here by the students of B. Tech. final year, that in their class routine EE404 was mentioned as ‘Utilization of Electric Power’ and EE406 as ‘Renewable Energy Sources’. But as per the marks sheets record, EE404 is ‘Renewable Energy Sources’ and EE406 is ‘Utilization of Electric Power’. Hence exam will follow the marks sheet record, i.e.,

‘EE404: Renewable Energy Sources’ and ‘EE406: Utilization of Electric Power’

Further, the schedule of PhD course work exam is declared as follows:

Examination Schedule of Ph.D. Coursework, 2018 of Electrical Engineering
