

Departmental Picnic held on 16.03.2022 in Chandannagar, West Bengal

The Department of Civil Engineering held its annual picnic on the banks of river Ganga at Chandannagar on 16.03.2022 afternoon. The bus fetched from the University campus to the spot at early morning. Chandannagar with its evergreen ghats of Ganga and scenic beauty piqued the curiosity of the visitor. The students along with the faculty members got indulged in outdoor games, casual chatter, occasional gossips, jamming sessions. The momentary relief imparted after the hectic and frantic college days was incredible. A sense of spirit, cooperation got instilled among all the members. The sunshine and nosh-up electrified the overall gusto. The scenic beauty along with the chirping birds was indeed bewitching to encounter. A feeling of togetherness and belongingness got instilled in the students. A profound connection got built between the students and the faculty members. Our beloved and respected faculty members shared invaluable and inspiring words which got entwined in our souls which will further help us attain our future endeavours.

Four years along the line these days will trip us to the Halcyon Days and the memories will earn a significant place in our University life.

Sk Sanwayee Aktari on behalf of 4th year Students,
Roll No-CEN18014
Department of Civil Engineering, Aliah University.
